

Procedure

Career coaching takes place in two versions: as **traditional coaching with 5 individual sessions at the ProfessionalCenter** OR as a **purely online offering with approximately 3 sessions**. Both versions are free of charge for enrolled students of the University of Cologne¹. If you require more or fewer sessions, you can discuss this with your coach.

Please send the completed **registration form to career-coaching@uni-koeln.de**. Afterwards a coach will contact you at the email provided to arrange your first session.
